Saint Joseph Catholic Schools PIP Hour Log

The PIP program for both Saint Joseph Schools is combined and is tracked on one spreadsheet. The PIP spreadsheet is organized by student name; all students from the same family are grouped together. If you have more than one student attending Saint Joseph schools, you only need to enter one student's name and grade below.

Your family PIP obligation is 20 hours for your first student plus 4 hours for each additional student attending either Saint Joseph School. Your PIP financial obligation is calculated at \$25 for each PIP hour not worked. Starting in November a PIP hour status report will be sent home with the oldest child in each family.

in order for us to keep Fir data as accurate as possible please turn in your nours at least monthly.
Student's Last Name:
Student's First Name:
Student's Grade:
Parent's Last Name (if different from the student's name):
